The kindies love coming to school. They sing and play games, count to 10, paint pictures, build with blocks, read books, ride bikes and play alphabet and counting games on the computer. They are learning to recognize their own names and are learning to write the letter their name starts with. Most of all they love riding the bikes.
Pre-primary

The older kids get to stay at school all day so they have a wider variety of activities from which they are learning and experiencing many things. They are learning to count to 100, they love reading books, working out puzzles and playing language and maths computer games. They love their friends and are learning to be polite and kind. They pray everyday and remember to thank God for all the good things in their lives.

YEAR 1 and 2

I love Blueearth with Scott and Brad.

I love playing nicely.

I love playing with my friends.

I love playing with Luke and Josiah.

I love playing football with John-John.

I love playing with my friends.
