

CAMP TO MIRRILINGKI

In term 3 we went to a school camp to Mirringlki. When we got there the elders welcomed us to their community. The next day we went to the Bungle Bungles. It was a long drive. When we all got there we went on a helicopter and had a tour. My mum was nervous because she was sitting next to an open door. She thought that she was going to fall out. It was exciting having a helicopter ride. I loved it. The next morning we went to Kununurra and we went for shopping. It was great. We went to Chicken Treat and had a hamburger. It was big but it was great. Then we all went to the swimming pool just to have a swim. When it was time to go back to Mirringlki Miss Anne drove us back. In the morning we had breakfast and we packed our bags and we hopped on to the troopy. It was time to go back home to Mulan. We all had an amazing time but I was happy

UP 4 IT

This years UP 4 IT camp was a blast. All the children who had attended school for 80% in terms 3 and 4 and who showed some really good behaviour went to Perth for the camp. We played arcade games, went ice-skating, had a go at lazer-tag and even had a chance to go to Telethon. One of the highlights was going for a bike ride around the Swan river. We drove quad cycles around and tried some kayaking. We saw some amazing thing and met some really nice people. Ricky Grace kept us entertained and we learnt a lot from some of the role models that came along for a chat. We were away for 7 days so it was a long camp and we were all pretty tired by the time we got home. The amazing thing was that the whole gang showed up to school the next day for the softball tournament. Well done campers!!!!

HALLS CREEK MUSIC FESTIVAL

Some of the children went up to Halls Creek for the weekend to go to the Halls Creek Music Festival. Miss Anne, Andrea, and a couple of parents went along for the ride. We stayed at Red Hill school.
